

Santa Letters

Have your child(ren) write a letter to Santa at the North Pole and he WILL reply.

Please have your child include their name, Address and any info that Santa may like to Know about (lost tooth, good grades, etc.) He also likes to know about siblings and pets.

Bring the letter to the Tree Lighting, PTO Breakfast Or the NB Post Office.

Santa will then reply from the North Pole. Your child should get the reply no later than Christmas Eve. There are no two letters the same. Each sibling will get a different reply.

Believe in the Magic of Christmas!

He does Exist....
