

# EarthDay

Come join us on Saturday, April 21<sup>st</sup> at 10am for some coffee, drinks and breakfast items before we go out and clean up the North Berwick Community. While enjoying our refreshments teams will be formed and supplies handed out. Teams will go out into the community in different areas for a couple of hours and then return back to the community center. All ages are welcome and appropriate areas will be decided based on your groups ages, etc. Clean up teams are needed that day. If you have a team together please contact Kristie to let her know. If you are individuals come to the center and we will form teams that morning.

Just call Kristie Michaud at 676-3206 to sign up.

If you are unable to help that day and would like clear bags and gloves please contact NB Rec and they will be provided for you.

10am- 10:30am: Organizing and refreshments

10:30am-12:30pm: Town Beautification
