Article 2 – General Provisions

Section 1 - Program

This program will be known as the North Berwick Pay As You Throw.

Section 2 - Object

The purpose of this regulation is to establish a user fee system for disposal of municipal solid waste. Solid waste is a primary health, safety and environmental concern to all residents, and it is essential that the community develop a fair, efficient and cost-effective solid waste disposal program. The user fee plan promotes equity and fairness by linking the cost of waste disposal to the amount of waste actually generated by a person or household.

This regulation is adopted for the purpose of removing MSW costs from the town tax rate as well as to encourage the recycling of MSW to reduce the amount of tonnage sent to MERC.

Section 3 - Bag Information

There will be two bags to choose from:

| | |
|-----------|--------|
| 33 gallon | \$2.00 |
| 15 gallon | \$1.50 |

(Amended July 1, 2012)

Bags will be sold at local commercial establishments located in the Town of North Berwick.

Section 4 - Bag Distribution, Costs and Revenue

Each distributor will be contacted every week to ensure they have a supply of bags. The distributor may order as many packages of bags as they wish. The bags must be paid for at the time of delivery.

Cost per case (20 packages of 10) of bags:

| | |
|-----------|------------|
| 33 gallon | – \$400.00 |
| 15 gallon | – \$300.00 |

Cost per pack (10) of bags

| | |
|-----------|-----------|
| 33 gallon | – \$20.00 |
| 15 gallon | – \$15.00 |

(Amended July 1, 2012)

Section 5 - Administration

The Selectmen shall administer this regulation, and to this end shall have the following powers:

1. To adopt written rules for the day-to-day operation of the transfer station, including but not limited to hours of operation, inspection of materials delivered to the site, and sizes and types of solid waste containers allowed.
2. To designate where and when such bags will be available. All user fees shall be used to offset the costs associated with solid waste disposal.
3. To appoint and oversee personnel to maintain and operate the transfer station.
4. To review alleged violations of this regulation and to take (or authorize their duly appointed agents to take) appropriate action, including legal action, to enforce this ordinance.

Article 3 - Rules

Section 1 - Transfer Station

Only residential solid waste is allowed at the Transfer Station. All residential waste shall be in a PAYT bag in order to be disposed in the hopper. The bags must be tied shut. Only residents of the Town of North Berwick are allowed to dispose of waste at the Transfer Station. All vehicles disposing of waste at the Transfer Station shall be required to have a current Town of North Berwick Transfer Station Sticker attached to the vehicle. Failure to have the sticker attached to your vehicle will result in the inability to dispose of waste at the Transfer Station. Residents of the Town of North Berwick shall include landowners.

Commercial and Industrial Waste

All commercial and industrial business must contract with a Private Contractor to transport their waste to the MERC facility. No commercial or industrial waste will be permitted to be disposed of in the hopper at the Transfer Station.

Section 2 - Roadside Trash

Discarding of trash at the roadside is illegal. The Town is not liable for trash left beside the roads, but will help the landowner with the trash that has been left on their property. Anyone caught discarding trash on the roadside will be turned over to the North Berwick Police Department for littering.

Section 3 - Curbside Pickup and Private Contractors

All private contractors must be properly licensed by the Town of North Berwick pursuant to section IX of the Town of North Berwick Solid Waste Flow Ordinance in order to collect MSW within the boundaries of North Berwick. Private contractors are liable for trash they collect and must dispose of it properly. The Private Contractors will be billed for every ton of MSW brought to MERC by the Town of North Berwick in accordance to the fee schedule approved by the Municipal Officials of the Town of North Berwick plus \$2.00 administrative fee per ton:

(Fee established by Board of Selectmen per ton + \$2.00 Admin. Fee per ton) x amount of tons delivered to MERC = INVOICE

All invoices sent to the Private Contractor must be paid in full within thirty days of the date of invoice. Failure to pay the Town will result in a revocation of the company's ability to dispose of MSW under the Town's contract with MERC. In addition, the Town of North Berwick will use all means necessary to collect the debt.

Disagreement with Invoice:

Should a private contractor disagree with the Town's billing, the contractor should bring the discrepancy to the Town Manager's attention. If after the Town Manager has ruled on the invoice and the Contractor is still in disagreement with the invoice, they may appeal to the Board of Selectmen pursuant to Section XI of the North Berwick Solid Waste Flow Ordinance.

Dumpsters and content

The landowner and/or lessor of the dumpster is liable for their dumpsters and contents.

Commercial Businesses must obtain a Commercial Transfer Station Permit from the Town in order to utilize the bulky waste area. The permit is free of charge and allows access to the bulky waste area but not the hopper area.

The Fee structure is designed to pass all costs, tipping and transportation, to the user disposing of the bulky waste.

Article 6 – Violations

Section 1 - Roadside Trash

Any person found to have littered the roadside or land of another person with MSW, construction and demolition debris, bulky waste, tires or any other trash will be prosecuted by the Police Department.

Section 2 - Trash and Health

The health officer has the right to investigate any trash related health problem reported to the town.

Any individual who is found to be accumulating solid waste in an unapproved location, which is deemed to be injurious to the public health and safety by the North Berwick Health Officer, will receive a written warning. The solid waste must be removed and properly disposed of in a timely fashion not to exceed seven days. If after seven days the solid waste has not been properly disposed of, the Health Officer may cause the removal of the solid waste. All costs associated with the removal of the solid waste will be billed to the property owner. Failure to pay the costs of the removal of the solid waste will constitute a lien against the real estate enforceable in the same manner as real estate taxes, including possible loss of the property for nonpayment.

Owners of multi family rental properties must provide a location in which solid waste may be properly stored until removed by a contracted solid waste removal company. Approved locations do not include interior hallways or within the tenants living quarters. Approved locations would include garages, outside storage sheds, dumpster and or waste receptacles with covers . Failure to provide a location to store solid waste until timely removal which results in a complaint being investigated by the Health Officer will result in the same process being followed as outlined above. Owners of Multi-family dwellings may allow tenants to dispose of their trash at the Transfer Station, however, a location for storage is still required. The owner is ultimately responsible if the tenant does not dispose of the trash in a timely manner.

Section 3 - Prosecution

Any person caught throwing unacceptable materials in the hopper, Bulky waste, or any other place at the Transfer Station will be prosecuted as follows:

| | |
|----------------|---|
| First Offense | Verbal warning |
| Second Offense | Written warning |
| Third Offense | Loss of rights to the Transfer Station as determined by the Board of Selectmen |

Article 7 – Validity

Section 1 - Validity

The validity of any section, clause, sentence or provision of this regulation shall not affect the validity of any other part of this regulation.

Article 8 – Regulation in Effect

Section 1 - Effective

This regulation will take effect on July 1, 2000.

Section 2 - Amendment

The North Berwick Board of Selectmen may amend this regulation as it deems necessary after holding a Public Hearing with at least 14 days prior notice published in a newspaper of daily circulation and posting the notice in at least two locations within the community, and the Transfer Station
